Two school uniform shirts with ATI patches, and one pair of safety glasses will be provided to all students at no additional charge. In addition to the tuition and fees costs, the approximate cost of student-supplied tools, safety shoes, and extra uniform shirts is \$120-645 for all programs. A basic list of tools is provided in the ATI School Catalog for applicable programs. Cap and Gown charges for commencement are not included in this Enrollment Agreement.

**Veterans and Active Duty**

Students who are receiving benefits under the Veteran’s Administration or Military Tuition Assistance programs are charged per credit hour. The credit hour charge is the total cost divided by the number of semester credit hours. For Active Duty, Reservist, and National Guard service members, the tuition cost is \$250 per credit hour, the Learning Resource Fee is \$80 per module.

**OTHER FEES (all students - required)**

Registration Fee, one-time non-refundable fee	\$50 (waived for vets and active duty)
Registration Fee, one-time non-refundable fee (Tractor Trailer students only)	\$100 (waived for vets and active duty)
High School, GED or College Transcript Request	Fee Varies
Learning Resource Fee <sup>1</sup> , per semester (includes tax)	\$240 (for diploma and degree programs)
Learning Resource Fee <sup>1</sup> , per module (includes tax)	\$80 (for Tractor Trailer Driving Certificate)

*Includes electronic textbooks, equipment, learning platforms and mobile computing device with damage insurance.*

<sup>1</sup> As a result of the Advanced Technology Institute (ATI) GREEN commitment and to provide the best value in education resources, ATI has implemented textbook recycling and extensive use of electronic textbooks. Students may be allowed to keep textbooks for their core courses and required concentration courses or retain the electronic version for an extended period when an e-book is utilized. All other textbooks are available for purchase at cost, if desired. Most courses have online resources available and many courses utilize mobile computing technology. If a mobile device is unintentionally damaged and not lost/stolen, it may be repaired one time while enrolled at ATI without additional charge. Additional incidents or loss will incur actual repair or replacement cost. Students will be charged for any learning resources not returned within two weeks of when a return is required. **A STUDENT MAY OPT OUT OF THE LEARNING RESOURCE FEE AND ACQUIRE TEXTBOOKS AND OTHER LEARNING RESOURCES ON THEIR OWN.** While this fee allows students to take advantage of heavily discounted and subsidized learning resources, including use of textbooks that Advanced Technology Institute has arranged with publishers below market rates and available to you at the start of each term, federal regulations require that you be allowed to acquire books and supplies from other sources. If you wish to opt out of this fee and acquire all learning resources and textbooks on your own, please notify the financial assistance department. This fee will be pro-rated for persons scheduled for only a portion of a semester.
